Switching Performances

As a reminder: we are not able to switch you to a different performance around the same time as one for which you are already scheduled.

Example: We can't switch from a 6pm Waitress performance to a 6:30pm Hunchback performance on the same day.

Exception: If there is a performance we have extremely low numbers at, we can occasionally move people from an overstaffed performance to an understaffed one. Please check the updates to see if the performance you wish to switch to is in need of extras before contacting us to switch.

Playhouse Score
