Parking Vouchers

The garages are receiving expired vouchers from RedCoats. We believe this is happening because RedCoats are taking multiple vouchers and not using them.

We advise that you retain **no more than two vouchers total** (one to use that day and the other to keep as an extra in your photo ID holder).

At sign-in, please only take one voucher. Use the older of the vouchers first.

Marie and Rosetta

Get your front row seat to music history in the making. Sister Rosetta Tharpe, "The Godmother of Rock n' Roll" who influenced performers from Elvis to Hendrix, plucks prim and proper Marie Knight from a rival gospel show, and the two challenge one another on music, life, and The Almighty.

Yearly Hours Reports

Yearly Hours Reports are being mailed out today! Please review them, any corrections should be made on the report and sent in. Attendance percentages no longer include long term leave of absences.

If you are having difficulty meeting your volunteer commitment, please contact us about moving to another day or stepping down temporarily.
