"I make things up and write them down" is the way Neil Gaiman describes his varied art. Today, as one of the most celebrated, bestselling writers of our time, his popular and critically acclaimed works bend genres while reaching audiences of all ages. In his live event, "An Evening with Neil Gaiman," he will tell stories and read stories, answer questions, and in his own words "amaze, befuddle and generally delight. It will be fun and odd and not like any other evening with Neil Gaiman."

Gaiman is the #1 New York Times bestselling author of more than twenty books.
