Parking Voucher Clarification

There has been some confusion about expiration dates with parking vouchers.

- White PHS Garage Vouchers (for weekday matinees and accessible parking) have the expiration date on them.
- **Colored US Bank Vouchers list the printed date. The expiration is the year following that date.**

You should only have one or two vouchers at a time. Please don't keep more with you since that is when expired vouchers start coming back to us.

Yearly Reports

The end of year reports that list all of the events you worked in 2017 were mailed out last week. If anything seems incorrect, please mark your copy of the report and either mail or scan and email the copy to us. Changes will be corrected and sent back to you.

We have just learned that the database is still counting Leave of Absences as Cancellations. This is being corrected, so do not worry if your percentage is lower than expected.

If you have an event with 0 hours listed, it's possible that you came and worked as an extra at an event that listed no extras. Please confirm this before sending it to us.

The deadline for corrections is February 28th.

Marie and Rosetta

For those who have not had a chance to work this incredible show, I encourage you to be an extra at one of the remaining performances. This 90 minute show packs in an impressive amount of music history and classic songs. We currently have needs at three performances:
