### *New Blazer Distribution!*

A HUGE thank you to all the RedCoats who came down to pick up your blazers last week! We distributed nearly 1400 blazers and have a few hundred to go!

### **Alternative Pick Up Times**

We understand that a number of you were not able to come during the distribution week. We will have further details for you next week on pick up, we just need a little time to complete all the paperwork to know who has and has not come in yet. Thank you!
