[Vertigo Dance - SA E 3/9 6pm](#)

One of Israel's most highly regarded contemporary dance companies; Vertigo takes the viewer on an exciting and challenging journey into unfamiliar territories with every performance. The company strives to bring people closer together and touch them through the language of the body and movement, which can be felt from their powerful performances. The March performance of Vertigo Dance Company at Playhouse Square will feature, their new work "One. One & One" and features the artists dancing among soil scattered on the stage, giving the audience a full sensory experience.

It's that time of year again! We are in great need of RedCoats to help guide some of our littlest guests to their seats to see the team of pups from
