Summer Volunteering

We hope that you all are enjoying the brief moments of summer we have been experiencing this month! We want to remind everyone to please keep your volunteer commitment throughout the summer.

We are experiencing a serious decrease in volunteers recently. Most Dear Evan Hansen performances this past week had a **more than 15 people no show or cancel at the last minute**, taking us down to less than 60 volunteers for the Connor Palace. This makes ushering extremely hard for those that remain.

As you may see, we have already had many people cancel for upcoming performances of both Dear Evan Hansen and our next Broadway series show – Come From Away. Please come in as extras if your schedule allows, and be sure to keep or make up your commitment for your scheduled performances.

Appreciation Gifts

We still have remaining Volunteer Appreciation Gifts! If you have not received your gift, please stop by the Connor Palace House Manager's Office during the run of Dear Evan Hansen to receive one.

The Try Guys

The Try Guys proudly present their first nationwide tour, Legends Of The Internet: a thrilling evening of comedy, spectacle, and friendship. Keith, Ned, Zach, and Eugene will bring their iconic brand of "trying everything and anything" to life on stage like you've never seen them before -unedited and unfiltered. All the hilarious viral content you love transforms into an unprecedented performance where each city will experience a completely unique, interactive show. You can finally meet the guys and try along with them, up close and personal, and become a Legend of the Internet, too.

Come From Away

Broadway’s COME FROM AWAY has won Best Musical all across North America! The New York Times Critics’ Pick takes you into the heart

of the remarkable true story of 7,000 stranded airline passengers and the small town of Gander, Newfoundland that welcomed them. Cultures clashed and nerves ran high, but uneasiness turned into trust, music soared into the night, and gratitude grew into enduring friendships.

Don’t miss this breathtaking new musical written by Tony® nominees Irene Sankoff and David Hein, and helmed by this year’s Tony®-winning Best Director, Christopher Ashley. Newsweek cheers, “It takes you to a place you never want to leave!”

On 9/11, the world stopped. On 9/12, their stories moved us all.
