Blazer Distribution

Blazer Distribution will be happening October 2-5th. You should have received an individualized email with the date and time of your blazer pick up.

- There are a number of changes that will be happening at blazer pick up. We need each individual volunteer to come, **you cannot send someone else to pick up your blazer.**
- If you were not previously fitted, we will have an area for you to try a sample before listing your size.
- Please see the September Newsletter for further information and instructions about pick up as well as a complete listing of times.

Changing Roles

We are so excited to announce changes to a few roles in our departments.

Longtime Head Usher, **Enid Friedman** took on the role of Volunteer Administrative Support for the STARS and Blazer project this past month. Her experience as a RedCoat coupled with a history running band uniform programs made her perfect for the role and we are excited to have her on our team!

House Manager, **Meg Colwell**, also took on a new role this season. Meg will be stepping away from Front of House and has taken a full-time position with the Advancement Department as our Gifts Processing and Data Entry Coordinator. While we are sad to lose Meg as a House Manager, we look forward to seeing her around Playhouse Square in her new capacity and also working shows as a **RedCoat!**

Parking Reminder

As a reminder, in order to continue to provide free parking, we need everyone to follow the instructions given to us by the garage.

US Bank – RedCoats should park on levels 6 and 7 (starting on 7 and working down)

PHS – RedCoats should not park in accessible spaces and should only park on levels 4 and 5.

Discover the District Tour

Discover the District is for our newer season ticket holders to visit Playhouse Square prior to the start of the season and experience all the cool things to do within the District! This event will be open-house style, featuring small bites at the Crowne Plaza Cleveland, a live band on US Bank Plaza, tours of the Connor Palace, a scavenger hunt, and raffle baskets.

Summer

She was a girl from Boston with a voice from heaven, who shot through the stars from gospel choir to dance floor diva. But what the world didn't know was how **Donna Summer** risked it all to break through barriers, becoming the icon of an era and the inspiration for every music diva who followed. With a score featuring more than 20 of Summer's classic hits including "Love to Love You Baby," "Bad Girls" and "Hot Stuff," this electric experience is a moving tribute to the voice of a generation.
