

### Support Playhouse Square while Shopping at Amazon

Did you know that when you shop with Amazon Smile 0.5% of all your purchases can be donated to Playhouse Square?

[Click this link](#) to be directed to Amazon Smile. It should look like the screenshot on the left. Once there you will be prompted to enter your charity of choice: Playhouse Square Foundation. After your charity is selected, you'll need to shop through Amazon Smile for your purchases to be counted. There are three easy ways to do this:

- Go to the website [Smile.Amazon.com](http://Smile.Amazon.com) rather than Amazon.com when making purchases.
- Copy the link you will be given after signing up and bookmark it in your internet browser to go directly there each time.
- Amazon will offer you a Google Chrome browser extension to install if you would rather not remember to use the link.

We greatly appreciate your support during this time, every little bit helps bring us closer to coming back!

### Upcoming Disney Musicals

I was saddened to hear that Frozen will not be returning to Broadway when things reopen, but it is exciting to hear that so many of these other shows are in the works!

I would love to see Bedknobs and Broomsticks and The Princess Bride! I hope we will see these at Playhouse Square in coming seasons!

### Broadway Closure

While it is difficult to see Broadway in New York closed due to COVID-19, I was greatly encouraged by this article. Broadway will remain closed at least until September 6<sup>th</sup>, but they are working now on measures to keep their staff and guests safe. I appreciate our industry leaders taking their task seriously and hope their work will provide guidance for us locally.
