Hamilton – It's almost here! I realize it was a long and complicated process to assign everyone and I truly appreciate your patience. It was important to us to make sure that everyone had an equal chance at signing up for their dates so we made assignments conservatively to ensure that everyone would have options. **At this point everyone has been emailed or called with every date that we expect you.**

- **If you did not receive a confirmation** – please contact us at redcoats@playhousesquare.org as soon as possible. We had a number of emails bounce back, and we want to ensure that everyone knows which days they are expected.
- **If you requested to work both of your extra dates** - you would only have been confirmed for one. We still have lots of availability, so please feel free to resubmit your other date.

Hamilton Needs

Currently we have closed 9 of the 48 performances to extras, but the majority of performances are still available! **Each week I will list the performances we still need extras at in the weekly update**, but feel free to request anything that doesn't say "No More Extras". The majority of needs are on the weekends and during the final week of performances.

Monthly Improvement Focus

Our Monthly Improvement Focus for July is to learn something new about the theaters! Our theaters hold so many secrets, there is always something new to learn! For newer RedCoats, look for a location you were not

aware of previously (perhaps the Boxholders Lounge, or the RJF entrances). For more seasoned RedCoats, perhaps there's a historical fact you don't know! Ask your fellow RedCoats questions to see if you can learn something new, or check out this page on the [PHS website](#) for a place to start!

FRONT at Playhouse Square

Playhouse Square is excited to be one of the venues for a new Art Triennial based in Cleveland and opening the summer of 2018. "An American City: Eleven Cultural Exercises, in collaboration with museums, civic institutions, and alternative spaces across Cleveland, Akron and Oberlin, will showcase an ambitious roster of projects, including performance and theater throughout the landscape and built environment." Click [HERE](#) to learn more about FRONT.

Here at Playhouse Square we will be hosting an exhibit titled, [Love Story By Candice Breitz](#). This event is FREE and open to the public and is available at the Helen Lab from July 14 – September 16.

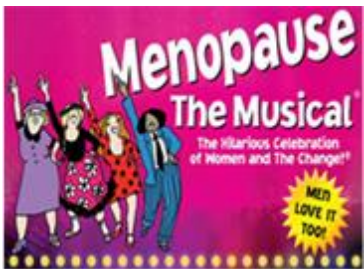

EXHIBITION HOURS:

Tuesday-Friday 3:00PM-8:00PM

Saturday-Sunday Noon-8:00PM

Love Story by Candice Breitz

"What kind of stories are we willing to hear? What kind of stories move us? Why is it that the same audiences that are driven to tears by fictional blockbusters, remain affectless in the face of actual human suffering? Love Story (2016), a seven-channel installation by Candice Breitz, interrogates the mechanics of identification and the conditions under which empathy is produced. The work is based on the personal narratives of six individuals who have fled their countries in response to a range of oppressive conditions."

Menopause the Musical Tickets

Four women at a lingerie sale with nothing in common but a black lace bra AND memory loss, hot flashes, night sweats, not enough sex, too much sex and more! This hilarious musical parody dancing in the aisles! See what millions of women worldwide have been

laughing about for over 16 years! It's the Hilarious Celebration of Women and The Change!®

Volunteer for SPARX City Hop 2018!

On Saturday, August 18th, Clevelanders will have the opportunity to explore Downtown Cleveland and the surrounding neighborhoods by taking a free trolley and hopping from art galleries and studios to stages featuring live, local music.

The Flats Outdoor Art Festival will be joining the celebration as well – an event filled with many surprises! Popular stops featured during SPARX City Hop include tours of The Viaduct and the 100th year anniversary celebration of the Detroit Superior Bridge subway tunnel!

This year's SPARX City Hop is expected to draw many "hoppers" once again! We are looking for individuals that love Cleveland, are welcoming, and want to have fun! Positions for volunteers include helping hoppers as they exit Lolly the Trolley, help organize lines for Lolly's departure or assist with the mural art project and more! As a thank you, volunteers will be provided a meal from Bloom Bakery and a swag bag. Through our partnership with BVU, volunteers can sign up here for 2 free Cleveland Indians tickets after registering for a SPARX City Hop shift.

This day would not be possible without our passionate and dedicated volunteers. We hope you can join us for this special day to celebrate art, culture and music in Cleveland!
