Weekly Update

“INVISIBLE” DISABILITIES

You never know what someone is going through. Many of our guests have “invisible” disabilities that are not obvious to the casual bystander.

“Invisible” impairments are just as real as visible impairments. They include, but are not limited to the following:

- Autism
- Arthritis
- Blindness
- Brain Injury
- Chronic Fatigue
- Chronic Pain
- Cognitive Issues
- Crohn’s Disease
- Deafness
- Diabetes
- Epilepsy
- Fibromyalgia
- IBS
- Lupus
- Mental Illness
- Multiple Sclerosis
- Repetitive Stress Injuries
- Scleroderma
- Ulcerative Colitis

And the list goes on....

When assisting our guests, please keep in mind that there may be something “invisible” lying beneath the surface. Never assume a guest is able to navigate the theater spaces easily.

This is especially true when a guest is waiting for the accessible restrooms. Volunteers may offer the option of using the main restrooms (which involve walking up and down stairs) to any guest waiting in line, without judgment or knowing the reason the guest chose the accessible facilities.

PRETZELS

If pretzels are available Driftwood will let the House Manager know and the HM will pick them up. **Volunteers should not approach Driftwood staff to request pretzels.**

If we continue to receive reports from Driftwood that volunteers are requesting pretzels, we will discontinue providing them.

Each volunteer should only take a single pretzel so that everyone who volunteers has the opportunity to share in all that goodness. Please also wait to consume all of that goodness until you have left the theater! **Please don’t eat the pretzels in front of our guests. Thank you!**

VOLUNTEER GIFT

The Volunteer Gift will be distributed throughout the run of *Suffs* for evening and weekend volunteers and for the runs of *Wind in the Willows* and *Sankofa* for weekday matinee volunteers.
