THEATER SWEEPS

An important part of the Redcoat responsibility to our Patrons is the post-performance sweep of the theaters. While we know most of the time these are handled correctly, we ALL need to make sure we are diligent.

In one case, a guest left her purse on her seat – and when she was escorted back to the theatre **after** the sweep was completed, the purse was still there.

Please be sure that each row is thoroughly checked – on the seats and under the seats. Photograph items found before removing them so as to accurately document their location. Turn all found items into the house manager's office.

Thank you!

ST. PATRICK'S DAY

It won't be long before one of Cleveland's favorite parades takes over downtown and Playhouse Square will be a part of it with a *Back to the Future* themed entry this year!

The parade is on Sunday, March 17 at 2:00 p.m.
