SERVICE PINS

Have you ever looked closely at the service pins for 1000 hours?

The center column says "Playhouse Square". Each of the theaters – Allen, Ohio, State and Palace – are also listed in the order that they appear while looking at the complex from Euclid Avenue.

For every 1000 hours of volunteer service, a ruby-colored stone is added – until you reach 10,000 hours. At 10,000 hours, the stone is diamond-colored.

Just a Few ^ Reminders...

1. The Volunteer Department is unable to move volunteers from one performance to another performance on the same date and at the same time.
2. If you are assigned to a performance, please do not leave that theater to go to a different venue unless this is requested by the House Manager.

The Volunteer Department schedules teams according to the needs of the theater to ensure that performances are staffed with the optimal number of volunteers for safety reasons.
