NAME TAGS

If you have not already done so, please remove the red and white vaccination sticker from your name tag. These are difficult to remove and do leave some sticky residue. We have found that Goo-Gone, nail polisher remover, or even hand sanitizer helps remove the stickiness.

For newer volunteers, you have a star on your name tag. The stars let other volunteers know that you are "in training". If you feel comfortable with the volunteer responsibilities, feel free to remove the star.
