### From the desk of Meg, Volunteer Manager

**DAZZLE!** Our RedCoats and STARS brought extra dazzle to this year's event! The DAZZLE Awards, presented by Pat & John Chapman, honored the best of the best in High School musicals this year!

Our RedCoats and STARS were there to make the night extra special as the young artists walked the "PNC Red Carpet" to the awards ceremony. We clapped, cheered, and photographed these memorable moments. RedCoats & STARS make extraordinary paparazzi!

Our very own STAR, Willie, was greeted with excited hugs from several of the honorees! Pat & John Chapman even gave a special shout out and thanks to the RedCoats during the program. This was greeted with wonderful applause and cheers from everyone in attendance. A great moment of appreciation for all that we do! A dazzling night indeed!!
