VOLUNTEER APPRECIATION SURVEY

Thank you for taking the time to complete our Volunteer Appreciation Survey. Your feedback is truly valuable and helps us better understand what is going well, where we have opportunities to improve, and how we can continue making your volunteer experience meaningful and rewarding.

While some suggestions fall outside the scope of what we can provide, we are looking forward to using your input to strengthen our volunteer program and recognize your contributions in thoughtful, meaningful ways.

Several volunteers mentioned that they have not attended appreciation events—or have hesitated to attend—because they do not know many people. Others specifically asked for more information about who is on their team. In the next few weeks, we will send each team a list of its members. *If you do **NOT** want your name shared with your team members, please let us know.* It will be up to you to connect with your team when you are volunteering.

We will continue to review all of your suggestions and hope to announce plans for our next Volunteer Appreciation event in the coming months.

UPCOMING SCHEDULE

There are a limited number of performances and events on the calendar for August and the beginning of September. Most teams will only be scheduled once a month for the rest of the summer.

Enjoy the time off – rest, relax, and gear up for a fabulous 2026-2027 season starting with *Death Becomes Her* in September!
