## A Note from Meg, Sr. Volunteer Manager

### 2023 is going to be the year of the RedCoat!

With our recent media coverage and your referrals, we had a wonderful new surge of interest from potential RedCoats! We will be having a busy and exciting new year – many new members to our RedCoat family!

With the new year, here are some tips to start 2023 off right....

- ❖ Double check the buttons on your red jacket (front & sleeves). Re-sew or secure them with a strong thread. (The metal buttons “saw” through the thread.) One RedCoat said they used a marine vinyl thread for extra strength!
- ❖ Consider becoming a Head Usher! We will need more members of our leadership team to help grow and train all the new ushers!
- ❖ Double check your attendance percentage that is posted monthly. We are going to continue to recognize/reward the RedCoats who are meeting their 2x/month RedCoat commitment with a 95%+ attendance record!
- ❖ Take time to recognize each other! When another usher, Head Usher, House Manager, or staff member goes above and beyond – fill out a STAR award to let them know! Forms are available in all the House Manager offices and in the Volunteer Room!
- ❖ Double check the weekly update/newsletter for our loge drawings for upcoming concerts and shows!
- ❖ Make new friends!! Introduce yourself to someone new – or new to you! We all need to feel welcome!
- ❖ Most importantly - Take care of yourselves! You are valued and appreciated – so self-care is important!

**Thanks for everything you do for Playhouse Square! Happy New Year!**
