BEGINNING NEXT WEEK –
WE WILL BE DISTRIBUTING NEW
FLASHLIGHTS TO ALL
VOLUNTEERS DURING CATS!

NEW FLASHLIGHTS!

The flashlights require 3 triple A batteries – the first set will be provided to you. You will be responsible for replacing the batteries going forward.

We are asking that everyone sign / date that they have received the flashlight – similar to signing for the Volunteer Appreciation Gift. We also ask that you turn in your old flashlight. These will be stored in the House Manager offices for use if a flashlight is forgotten or if the batteries die during a performance.

Replacement flashlights will be available for purchase for **\$5 per flashlight**. Send an email to redcoats@playhousesquare.org if you need a replacement. We will send a new flashlight, and an envelope for the payment, to the House Manager's office the next time you volunteer.

In Memoriam – Evelyn Dolejs

Evie Dolejs was a force to be reckoned with – if she was awake, she was volunteering! Starting as a RedCoat in 1998 alongside her husband, Richard, Evie went on to achieve 22,066 volunteer hours! Between Evie and Richard they contributed almost 40,000 RedCoat hours and were the inspiration behind our “Richard & Evelyn Dolejs RedCoat Service Award” that was created to honor other RedCoats who also achieve major milestones.

Evie was a spitfire and had a passion for service in all of Northeast Ohio. She volunteered many hours of service to so many organizations.

Of all these organizations, Playhouse Square was one of her greatest passions. We were so fortunate to know this fine lady and she will be missed. She is reunited with her great love, Richard and we know that they are once again volunteering, organizing, and helping out – together! Thank you, Evie...we'll see you on the other side!
