Playhouse Square®

A Note from Meg (K.)

I want to express my sincerest gratitude to Meg Colwell for her dedication to Playhouse Square and our volunteers. Meg played a key role in rebuilding our volunteer team after Covid and creating the policies and procedures that have made our RedCoats and Stars the envy of performing arts institutions across the country. Her expertise, hard work, commitment, and positive attitude have left a lasting impression on all of us in the Volunteer Department.

As Aaron and I our take on new responsibilities, we appreciate your patience and understanding. Change can be challenging, but with your continued support, I am confident that we will navigate this period smoothly and continue to provide the standards of care and service you have come to expect from the Volunteer Department.

Thank you all for your commitment to Playhouse Square and for being an essential part of our team.

Just a Few ^ Reminders...

As we kick off the new season, just a few friendly reminders:

- Please eat your pretzels *after* leaving the theater.
- Don't forget to take the lock from your locker before you leave.
- Parking QR Codes for the Cohen Garage are emailed the same day as the monthly newsletter.
- Do not interact with staff (actors, stage hands, sound board, etc.) from the productions. The house managers will pass along any important messages.
- Please be sure to send an email on the "check-back" date if you would like to be added to a performance!

CONGRATULATIONS BOB!

Congratulations to Bob Liddy who has accepted the position of House Manager!

Bob has been volunteering at Playhouse Square since 2017 and became a Friday Evening Head Usher in 2019. He began as House Manager on Sept. 15th.

HELL'S KITCHEN

KeyBank Broadway Series
October 10 – November 1

**Be the first to see *Hell's Kitchen* as Playhouse Square
launches the national tour this October!**

This October through November 1, experience *Hell's Kitchen*, the award-winning Broadway hit musical inspired by the life, music, and community of 17-time Grammy® Award winner Alicia Keys.

At the heart of *Hell's Kitchen* is Ali, a 17-year-old full of passion and determination. As she searches for her place in the world, she faces the struggles of growing up and discovers how music and mentorship can shape who she becomes. Her journey is raw, relatable, and uplifting, brought to life by Alicia Keys' iconic hits and brand-new songs written for the stage. The music makes this musical a must-see, but it's the story that resonates most. It's about the moments that define us, the voices that guide us, and the courage to believe in yourself even when the world tells you not to.

RedCoats can save 15% to 65% off on select performances and seating locations. Ticket purchases are heating up, so now is the time to secure your seats and be part of the very first audience in the nation to see this touching new production before it heads out across America.
