

Dazzle 2020 Virtual Chorus

While we cannot celebrate the Dazzle Awards in the way that we intended to this year, we could not let the opportunity for showcasing some of these amazing students pass by! We invited representatives from each 2019-20 Dazzle Awards school, selected by their directors, to shine in a virtual chorus of “Morning Glow” from the Stephen Schwartz musical PIPPIN. And shine they did! Their enthusiasm, passion, positivity and talent are inspiring. We know they, and the arts, will prevail.

Watch Children’s Performances Online

We may not be able to view performances in person for a while, however, Playhouse Square in connection with show producers and University Hospitals, have made our Children’s Series shows available over the internet for a short time.

Currently, Peter Rabbit’s Tales, and Diary of a Wombat are available to watch! Click the link below to learn more:
