WE DID IT!

It has been just over a year since the reopening of Playhouse Square and the return of live theater to Cleveland audiences!

It has been a year of rebuilding and renewing. Not only are there many new faces among the RedCoats, the Playhouse Square staff has also changed. We've added new staff members in most departments – from Marketing to Education to Ticket Sales to Production and Programming.

All this newness is exciting – but does, at times, present some challenges. Artists are eager to “get back out on the road” and sometimes that means a last-minute addition to our performance schedule. New staff members are literally learning on the job and discovering how to navigate our many systems.

THANK YOU FOR YOUR PATIENCE! Thank you for your patience as we make our comeback!

THANK YOU FOR YOUR WILLINGNESS TO HELP! Thank you for always answering when a new show has been added to the schedule and we send out a call for help!

THANK YOU FOR YOUR COMMITMENT! Playhouse Square would not be what it is today without the continuous support of our volunteers. Thank you for making this comeback with us!

GUEST EVACUATION TRAINING

As you are aware, GET renewal is required every other year.

As part of our Big Comeback, almost 1100 volunteers renewed GET in 2021.

To help spread out the renewal sessions, please consider signing up for GET this year rather than wait until 2023.

August renewal dates are listed to the right. We will be offering additional sessions through the end of the year.
