EDUCATION COMMITTEE
2023-2024 Co-Chairs: David Campobenedetto & Sarah Shaw

The Education Committee supports Playhouse Square’s education initiatives and works to educate and inform members about them. They might plan fundraisers with all the proceeds benefitting the Education Fund at Playhouse Square. They may sign members up to volunteer at Family Theater Day or encourage them to attend The Dazzle Awards. Disney Musicals in Schools is a beloved program and Partners often donate classroom items or gift cards to help the participating schools.

Events this committee has planned in the past include:

- Group outings to shows

- Game nights
- Wine tasting/pairing

**Jump Back Ball Committee**
2023-2024 Co-Chairs: Alexis Fender, Ryan Herman & Lindsey Jump

_JUMP BACK BALL_ is the annual fundraiser hosted by Partners each year. It’s a young professional gala, complete with open bar, heavy hors d’oeuvres, live music, dancing, casino games, raffle and silent auction, caricature artists, and other fun activities. The committee works closely with staff to plan all of this. They determine the theme, choose the entertainment, develop marketing strategies, solicit sponsorships and raffle/silent auction donations, and they even build the décor for the event.

This committee is most active between September-February. The event is typically the last Saturday of February. Once the event ends, the committee may do some post-event recapping, but will eventually disperse and join the other committees to finish out the year.
