

LEGACY CIRCLE

Help **Shape The Future** of Playhouse Square

At Playhouse Square, every spotlight, every standing ovation, and every inspired young artist is made possible by the generosity of those who believe in the power of the performing arts.

By including Playhouse Square in your estate plans, you become a member of the Legacy Circle—a community of visionary donors whose commitment ensures that the magic of live theater, arts education, and cultural enrichment continues to thrive for generations to come.

Your legacy becomes part of every story told on our stages, every student reached through our programs, and every life touched by the arts.

A Gift in Your Will

Leaving a gift to Playhouse Square in your will or trust is a simple and meaningful way to support the arts for future generations. You can choose to give a specific amount, a percentage of your estate, or other assets like stocks or property.

This type of gift costs nothing today and can be changed at any time. It allows you to support what you love while still taking care of your loved ones.

While you are welcome to designate your support to one of our areas of mission, an unrestricted gift allows Playhouse Square to use your generosity where it's needed most. It is a powerful way to ensure your legacy has the greatest impact.

**Your generosity
takes center stage!**
