## ***Stardew Valley: Symphony of Seasons* concert tour brings the beloved music of the valley to Cleveland**

*Curated personally by Stardew Valley creator and composer ConcernedApe, Stardew Valley: Symphony of Seasons takes you on a new musical journey from your first day in Pelican Town to your arrival at the Summit*

**CLEVELAND, OH** - SOHO Live, the Tokyo-based live music company specializing in creating and presenting live concerts of the most memorable video game and anime music, is excited to announce that hit farming sim Stardew Valley is returning to concert halls around the world on its second international concert tour, with a stop at Playhouse Square in Cleveland, OH on March 4, 2026. Tickets are on sale now at [playhousesquare.org](http://playhousesquare.org) and by phone at 216-241-6000.

After the overwhelming response to Stardew Valley's first concert tour, *Festival of Seasons*, which sold out in record time, the music of Stardew Valley returns to concert halls worldwide in 2025/26 with *Symphony of Seasons*.

A brand-new concert featuring a 35-piece orchestra, *Stardew Valley: Symphony of Seasons*, will see all new arrangements of music from the game performed. Accompanied by a screen above the stage featuring gameplay from the game itself, fans can also expect to see original content created exclusively for the concert under the supervision of ConcernedApe.

Concert-goers can look forward to hearing the game's most popular songs as they watch their farm grow throughout the seasons and explore some of the valley's most memorable locations, from Pelican Town to the Skull Cavern, Ginger Island to Calico Desert, the Submarine to the Wizard's Tower and much more.

Eric Barone (AKA ConcernedApe) said: *"It was a special experience to hear the music of Stardew Valley performed live in concert for the first tour, surrounded by fans of Stardew Valley. But now, with the upcoming Symphony of Seasons, we'll hear the music in a bigger and grander way, with a larger orchestra and additional songs from the game. I'm really looking forward to it!"*

Once again, fans are encouraged to come dressed in their best Stardew Valley cosplay in this celebration of the game, and new exclusive merchandise will also be available for purchase.

Tickets are on sale now at [playhousesquare.org](https://playhousesquare.org) and by phone at 216-241-6000.

The tour will premiere in ConcernedApe's hometown of Seattle on August 30th 2025, and will visit 18 countries before ending in Hawaii on March 21st 2026. Full list of dates below:

#### **About Stardew Valley:**

Stardew Valley was developed by Eric Barone (ConcernedApe) and released in 2016. Since then it has grown into a massive indie success, been translated into 12 languages and sold more than 30 million copies across all major platforms. In the game, you've inherited your grandfather's old farm plot in Stardew Valley. Armed with hand-me-down tools and a few coins, you set out to begin your new life. Can you learn to live off the land and turn these overgrown fields into a thriving home?

Playhouse Square, the nation's premier home for touring Broadway, is a globally recognized arts district. A not-for-profit presenter and producer of performing arts experiences, Playhouse Square is a champion of arts education and the vitality of downtown Cleveland. It proudly serves as home to eight resident companies: The City Club of Cleveland, Cleveland Ballet, Cleveland International Film Festival, Cleveland Play House, Cleveland State University Department of Theatre and Dance, DANCE Cleveland, Great Lakes Theater, and Tri-C JazzFest.
