CLEVELAND, OH (June 23, 2026) – Playhouse Square announced today that due to popular demand the sensational close-up magic experience *The Magicians Table* will extend its run at Cibréo Privato for an additional four weeks, with performances now running August 26 through October 18, 2026. Presented in partnership with Right Angle Entertainment, *The Magicians Table* is a table-side close-up magic experience direct from London that offers revellers the opportunity to enter a realm of enchantment as they get lost in a tale of perpetual surprises, love, loss and mystery. Tickets for all performances are now on sale at playhousesquare.org or by calling 216-241-6000.

The rotating cast for *The Magicians Table* includes some of the most respected creators and innovators in modern magic-artists whose work has been published, televised, and celebrated around the world. Collectively, they've appeared on the CW's *Penn & Teller: Fool Us* and *Masters of Illusion*, FOX's *Showtime at the Apollo* and are regular performers at Hollywood's legendary Magic Castle.

While the show brings together talent from across the United States, many of its magicians will hail from the Cleveland area, underscoring the depth of creativity and performance talent thriving in the Midwest.

Confirmed performers to date include **Evan Driggs, Doc Docherty, Jeff Corn, Alyx Hilshey** and **Paul Vigil**. Additional talent will be announced at a later date.

Hailed by renowned British magician Derren Brown as “beautifully realised and huge, huge fun” and an “experience that will have you captivated from the moment you step through the doors” by *Secret London*, *The Magicians Table* invites guests to step inside the world of a renowned showman and magician named Dieter Roterberg, as his friends and fellow performers convene one last time to put on a blow-out show to celebrate the legendary illusionist's life following his untimely passing. This intimate evening of close-up

magic will play out in a sumptuous setting replete with lush red velvet, flickering candelabras, shadowy alcoves and opulent ambience.

The evening begins with a curated pre-show lounge experience where guests can indulge in signature cocktails and spontaneous sleight-of-hand as magicians and mentalists mingle through the crowd.

Following the pre-show, guests will step into the Roterbergs' private performance space where masterful performers will entertain them with live music, mind-bending illusions and laugh-out-loud comedy. Over the course of two hours, world-class magicians, once part of Dieter's entourage, will perform table-side and on the main stage, wowing guests with spectacular illusions and redefining what the art of magic can be.

The evening is a highly interactive, dazzling and delightfully unconventional night out. Perfect for a date night, a group of family or friends or an unforgettable office outing, *The Magicians Table* brings a London-born sensation stateside for the first time, promising to leave guests questioning if the impossible could be reality.
