A Message from Meg C. THANKS...and HELP!!!!

Thank you to everyone who has really stepped up to volunteer for Choir of Man! Over 10,000 volunteer hours have been worked for this one show only! You are all amazing – so many of you worked COM 10, 20, 30 times! We even have had 2 ushers who have worked this show 75 times!! A special thank you to Sherry Dangremond & Joe Ferritto for achieving this incredible feat!

We are about to welcome back our season and kick it off with The Lion King! In addition, we have several other shows in October. Our Redcoat numbers are down due to a slow return of our wonderful volunteers. You will notice that your teams are scheduled more than usual. Even with that - we will need extras for every single show on the schedule. A huge thank you to AJ & Nancy Stokes who have already stepped up and signed up to work every single Lion King! Outstanding!

It's a lot to ask, but ... can you be like, Sherry, Joe, Nancy, & AJ?! Volunteer as often as you are able. We need you at Playhouse Square! If you are unable to work any scheduled dates or can pick up additional show, please send your changes/dates to: redcoats@playhousesquare.org
