

Building on the mask requirement we introduced in late July, effective September 30, 2021, we are adding another layer of protection by **requiring all staff members and volunteers to be fully vaccinated against COVID-19.**

Just as important, if you are exposed to COVID-19 and/or experiencing symptoms as your performance date approaches, we ask you to please stay home.

We continually assess the ever-changing landscape of the pandemic and adjust our health and safety protocols according to the recommendations of health officials. For the latest updates, follow the link below:
