Usher Room Safety

Please remember to lock your valuables in the usher room. This past week a RedCoat’s bag was stolen. It is disheartening to think that one of our own would steal from another, but the sad reality is that it happened. While searching for the missing bag, there were many other unlocked lockers that had purses and valuable belongings in them! These ushers could have found themselves without their cell phones, money, car, keys & house keys also. Help us help you! Please learn from this sad incident and make certain that you are bring a lock and secure your items. Or, lock them in the trunk of your car and keep your keys in one of the many pockets of your Red Jackets.

Usher Room Clean Out

Starting next week, we are going to be doing a clean out of the Usher room. Old red blazers will be removed and donated. All items in the lockers will be removed and disposed of. If you are storing items and still want them, you have until next week to claim them.

Please remember that your new red blazer & ID should not be stored in the usher room. It is subject to disappearing and you will then be in a position of having to replace/pay the \$75 replacement fee.
